UNIVERSITY

Revolutionizing healthcare education<sup>™</sup>

Available exclusively through

**PRECYSE AND HEALTHSTREAM — THE IDEAL COMBINATION FOR ICD-10 EDUCATION.** Precyse University has expansive and one-of-a-kind content on ICD-10, and HealthStream has the nation's most adopted online learning platform across hospitals and healthcare systems. Together, we have created and offer the most powerful and unique ICD-10 education program available.

# IS YOUR PRACTICE READY FOR ICD-10?

The transition to ICD-10 poses challenges to physicians, yet it also promises particular benefits. But these benefits can only be achieved if you take the time to find the right educational solution to properly prepare yourself and your staff. We went through an exhaustive process to choose the best ICD-10 education and training solution in the market, and we chose Precyse University.

Through our relationship, you have access to the Precyse University ICD-10 Physician Office Solution, at an exclusive discount. Get a one-stop solution for successful migration to ICD-10 in your coding and clinical care while realizing the privileges of sustained reimbursement levels, improved outcome indicators and fewer claims denials.
