

READY, SET, RELAUNCH

Our new health care professional directory delivers faster and more direct search results at Cigna.com

We've simplified the search for doctors, dentists and hospitals in the 'Find a Doctor' tool with a new and more engaging experience on Cigna.com and CignaforHCP.com.

You'll find it easier to find in-network referrals for your patients. Plus, you and your patients will enjoy:

Better navigation with a new look and feel

An intuitive search that spell corrects and fills in the blanks with smart suggestions arranged by subject

Information to help you easily refine your search results by distance, years of service, quality designations, gender, and more

Separate search paths for dentists vs. doctors

With our all-new directory, we've made it easier than ever to find the right health care professional.

Updating your information

If you need to update your information that appears in the directory, submit changes electronically using the online form available on the Cigna for Health Care Professionals website at CignaforHCP.com. After you log in, select Working with Cigna on your dashboard, and then choose the appropriate link for an individual or group health care professional. You will be directed to the online form to complete and submit.
