

PRESCRIPTION DRUG LIST CHANGES

For Health Care Providers

Effective March 1, 2017

Effective March 1, 2017, changes will be made to Cigna's Prescription Drug Lists that may affect some of your patients.

List of non-covered drugs

Medications that will not be covered as of March 1, 2017 are listed below by National Drug Code (NDC) number. If you have patients who continue to fill prescriptions for these medications on or after this date, they will be responsible for the full cost and will not receive coverage for these medications. We encourage you to speak with your affected patients to see if there are covered alternative medications that may work for them.
