Please follow the steps below to ensure that your request is processed without delay. Additionally, please also ensure the provider's CAQH application is accurate and up-to-date. **NOTE:** If there are discrepancies between this enrollment form and CAQH, the data on this enrollment form will be used. This will include differences in address details: suite number, phone number, fax number, handicap accessibility, TDD hearing, bus route, American Sign Language, and office hours.

STEP 1 (Pages 2-4)	Application Submission	Choose either option: 1. Submit a letter or file containing all requested information on pages 2-4 of this packet. Depending on the provider type, this list outlines the various documents that will be required to complete the provider's application for participation so that credentialing may be initiated. Failure to submit the required items may result in the provider's application being deemed incomplete, requiring resubmission of the provider's application. This may also result in a delay of the provider's effective date for participation.
Step 3 (Pages 6)	Behavioral Health Clinical Specialties	For Behavioral Health providers, please provide Sub Specialties from the list provided on page 6. List these Sub Specialties in the Notes Section at the bottom of the Enrollment Form on page 2.

IV. Additional Locations

Please list alternate and/or covering-only locations below. Primary address should be listed on the prior page of this packet. If more than two addresses are required, AND the Pay To address is the SAME as that of the primary, please see the Appendix on page 10 to report the additional addresses. Alternatively, additional copies of this page can be made for each additional location.

Alternate Office Sites – Secondary Sites where patients can call to make appointment to be seen by physician. If patients cannot make appointments with provider at this location, please designate location as "Covering only."

Covering-only Sites — Other sites that are to be loaded only for the times when provider covers for another provider or sites where provider does not accept appointments regularly. Patients cannot schedule appointment with provider at covering locations.

"Pay To" Name – This should match exactly how the claims are submitted from your billing system to insurance carriers, including abbreviations.

Additional Address. Alternate sites will only be listed in directory if provider is at location 16 hours or more, (unless opted <u>IN</u> to directory to override). If opting IN to directory, provider MUST accept appointments at that location. Covering sites will not be listed in directory. Please see page 10, if more sites are required to be loaded.

W-9 Helpful Guidelines

At the request of the payers accessing Center Care's network, Center Care is required to collect a W-9 for every Tax Identification Number (TIN) in the network.

The W-9 must be the most current form version available from the IRS.

Please note the following to ensure your W-9 is accurate:

- 1. The purpose of a W-9 is to inform Payers the name and address your TIN is registered under with the IRS. If you are not sure what this is, please reference a recent document sent to you by the IRS.
- 2. When completing your W-9 Form:
 - a. Line 1 of the W-9 is Mandatory.
 - b. Line 2 of the W-9 is Optional (DBA).
 - c. The address on the W-9 can, but is NOT required, to match the billing address. Again, the W-9 address should be what the IRS has on file for the TIN, which may or may not be the same as your billing address.
 - d. Please ensure your W-9 matches EXACTLY the way the IRS has your name and address listed, including abbreviations (St vs. Saint, Rd vs. Road, Ste vs. Suite, etc.).
 - e. The W-9 must be signed and dated.
- 3. Should your W-9 name or address change, please submit an updated W-9 along with the names of all affected providers to be updated.

Please ensure your W-9 accurately reflects the information the IRS has on file for your TIN to prevent potential delays in reimbursement.
